Expression of Interest for Performers

The Multicultural Youth Music Festival to be held on March 25th is part of a larger project being undertaken by Multicultural Youth South Australia (MYSA) entitled M.Y. Culture (Multicultural Youth Culture). This project is proudly supported by the Australian Government's Living in Harmony programme administered by the Department of Immigration and Citizenship. The programme seeks to promote Australian values, especially mutual respect and acceptance, and it aims to engage the whole community and create opportunities to help people fully participate in Australian life. For more information on the Living in Harmony programme, visit www.harmony.gov.au

The Multicultural Youth Music Festival as part of this overarching project, will help to promote positive images of newly arrived young people to the wider community. Towards this end, MYSA invites South Australia's multicultural young people to perform at the music festival to showcase their talent and compete for the chance to win an eight-hour time slot in a professional recording studio!
